HOME-GROWN STRAWBERRIES. Colonel R. B. Lovel has the first of this season's fine fruit.

He leads. First in all things, Hon. R. B. Lovel, the leading grocer, favored The Ledger yesterday with a couple of baskets of the first home-grown strawberries of crop of 1899.

They are from the farm of Mr. E. L. Lindley near Vancouver, who has supplied Mr. Lovel regularly for the past eighteen years and the latest berries to be had in this market.

The success of Mr. Lindley shows what may be done when one moves intelligently in the right direction.

Twenty-five years ago he went to Vancouver with no other possessions than a mule and \$50.

He is now reckoned one of Lewis county's most substantial citizens and his worth as a business man is testified by Mr. Lovel, who has been dealing with him continuously for eighteen years, during which there has not been the slightest disagreement.

MAY COURT DAY.

Pretty Good Attendance—Stock Sales Very Satisfactory.

JANUARY PARK DEDICATED.

Yesterday was the second good old time Court Day Maysville has had in several years.

There was quite a large crowd of visitors in the city, as the business at the lively stalls during the day proved.

The stock sale, the main feature of Court Day, were well attended and trading was brisk. Prices offered by buyers were higher than usual and a good amount of live stock changed owners.

Auctioneer George Goggin reports the following sale, the best in two years:

10 cattle, per head... 25.00
1 cow... 20.00
1 cow... 20.00
1 cow... 20.00
1 cow... 20.00
1 cow... 20.00
1 cow... 20.00
1 cow... 20.00
1 cow... 20.00
1 cow... 20.00

In the morning Prof. Gentry had a parade of his fine ponies and dogs and later gave two exhibitions at the Ball Park.

The Maysville Band was out in force, rendering a number of selections. The Maysville Street Railway very generously placed a car at the disposal of the band, the members taking a trip over the line, giving the residents the benefit of their choice music.

The visitors were very well pleased with the treatment they received from the merchants, realizing that the latter are plotting in their reach the best that any market affords and at as reasonable a price as can be given.

There was a grand ballroom scene, "Black Diamond" being the crowd.

The success of the entire day was due to extensive advertising, backed by the Board of Trade.

With the fact countrywide before the public that some attractions out of the ordinary are to take place, with the merchants working uniformly for a common good and with ample accommodations for entertaining all who may come, there is no reason why Maysville Court Days should not become a fixed date on the calendar of engagements of the farmers in this section as the time for replenishing their stockyards, stables and households.

The Board of Trade has already done much good for the building up of the business in the city.

JANUARY PARK.

Maysville has at least one public park, small though it may be, to which our people in years to come may point with pride.

The principal credit for this is due to one of the city's pioneers, Mr. Samuel January, who more than a half century ago set apart this plot for public use forever.

More recently and more directly the credit must be given to Mr. George W. Crowell, the enterprising Councilman from the Fifth Ward, whose individual efforts, seconded by the necessity for which the people of that locality are noted, have resulted in carrying out Mr. January's original desire, that the place should be made indeed a Park and not left as part of the common.

The grounds have been inclosed by a wire fence, water has been laid out, trees and shrubs planted, grade provided and a handsome bandstand erected in the center.

Amid these environments at 4 o'clock yesterday afternoon the Park was formally dedicated.

A procession, headed by Captain George W. Rudy's Drum Corps and embracing "Old Zollinger," filed along Union street and when opposite the Park the cannon was unlimbered and a salute fired.

Meanwhile the Drum Corps took its position in the bandstand and regaled the audience with martial music.

A brief dictionary address was delivered by Mr. Thomas A. Davis, who congratulated Mr. Crowell on his public spirit, and hoped that it would be an incentive to others to go and do likewise.

These ceremonies concluded the formal dedication of January Park, which in the years to come will be a pride and pleasure to the people who live in that neighborhood.

The forward wheat is looking well. Crushed fruits at Ray's Soda Fountain less than at any other place.

The property of the late Caroline Stoute has been appraised at \$22.50.

Be sure you are right. Get Lawrence's GAMES SIZED at Chapman's Druggery.

J. S. Pogue qualified as Administrator of the Estate of S. P. Pogue, with John F. Pogue surety.

John Ballenger, C. H. White and George L. Out have been appointed appraisers of the personalty of the late Mrs. Emily G. Gray.

Get your garden seed where only the best varieties and standard varieties are kept. Our seeds are Northern grown. They are tested. We know the best; it is your business. To be had only at C. F. Dyer & Co., Market street.

The National Afro-American Council of the United States has issued a proclamation calling upon the Negroes of this country to set apart Friday, June 23, as a day of fasting and prayer.

Unless a woman eats sufficient nourishing food she can neither gain nor keep a good complexion. Food, when digested, is the base of all health, all strength and all beauty. Herline will help digest what you eat and give you the clear, bright, beautiful skin of health. Price 50c and 75c. J. James Wood & Son.

The will of the late Mrs. Emily G. Gray was yesterday admitted to record. It is a voluminous document, disposing of a handsome estate by far the largest, and most valuable collection of bric-a-brac ever possessed by any one in this country. The estate is left to her relatives, and various articles of bric-a-brac are given to intimate friends.

I consider it not only a pleasure but a duty I owe to my neighbors to tell about the wonderful cure effected in my case by the timely use of Chamberlain's Cough, Croup and Diarrhoea Remedy. I was taken very badly with cold and procured a bottle of this remedy. A few doses of it effected a permanent cure. I take pleasure in recommending it to others suffering from that dreadful disease.—J. W. Lovelace, Jr., Va. This remedy is sold by J. Jas. Wood & Son, Druggists.

The A. O. U. W. will meet this evening at G. A. H. Hall, corner Third and Market streets at 7:30 o'clock. All members are requested to be present; business of importance.

R. H. Walker, Recorder. J. V. Dix, M. W.

The rains of the past few days will no doubt have a good effect upon the river, as it is now at a stage when very little rain is necessary to cause a rise. At Pittsburgh yesterday it was falling, with about 6.5 on the marks. It was, however, rising from a low Pleasant down, which will make a nice addition down this way.

The Tacoma, noted for being one of the neatest and elegant boats on the river, is being repaired throughout. Captain Hiram has a painter hired by the month, and keeps him at work on the Tacoma. All the state-rooms on the boat have just been painted a snowy white, and new bedding has just been added to the Tacoma's outfit. She is in the Cincinnati-Chicago trade, and has all the business she can attend to.

The boilers of the wreck of the towboat Charlie McDonald were now beginning to show out of water, and at least one water tank is lower at a stage when very little rain is necessary to cause a rise. At Pittsburgh yesterday it was falling, with about 6.5 on the marks. It was, however, rising from a low Pleasant down, which will make a nice addition down this way.

DRESS GOODS!

Telling the truth—as one amongst a good many shrews—has its drawbacks, seemingly. When we say we have a desirable line of dress stuffs at 30c, a yard, you think of some other line at that price and doubt their worth and style. So, we mean that we will sell these same goods at 60c a yard. That's different. And some of the summer goods coming—the very newest from the looms—are no better in style and quality. They are in the place. Mostly all wool, a few with silk mixture but no cotton shoddiness among them. Nearly all the spring shades represented.
